Great idea! I've been asking Italians here, and the most common reaction is "?????" I'll answer the group.

Speaking among us, I do not have idea how we could address Cooperative Federalism!! I will try to see if our POL colleagues have a clue!

My thoughts :

- 1) Include again the seminar at SIOI (with no questions from students)
- 2) Start the Judicial RT at 9:30 and make it longer (good idea!)
- 3) Start the Free Market RT later and make it longer

Alberto from Bruno Leoni Institute sent a message to me this morning saying that they were unable to come up with a program on cooperative Federalism. They are still very gung-ho on the Free Market Roundtable on Friday morning. Any other ideas how we might address cooperative Federalism in Rome?
